The tournament will be played by official Corn Hole Tournament rules as outlined by the American Corn Hole Association. <http://www.playcornhole.org/rules.shtml>. Below are some rules that you may or may not be aware of:

### **RULE 6 - LENGTH OF THE GAME**

Section A. Point Limits - The Cornhole / Corn Toss match shall be played until the first team of contestants reaches (or exceeds) 21 points at the completion of an inning. The winning team does not need to win by two or more points.

Section B. The Inning Must Be finished - The Cornhole / Corn Toss match can never end in the middle of an inning. Thus, if a team that pitches first reaches or exceeds 21 points, the game can not end until the other side is allowed to pitch all of their corn bags and the inning is completed.

Section C. Ties At The End Of An Inning – If the Cornhole / Corn Toss match is tied at 21 or more at the end of an inning, play continues until one team or the other achieves a higher score at the end of an inning and wins the match.

Section D. Skunks - The game shall be played to 21 unless a team scores 7 or more points at the end of an inning before their opponents score any points. In this case the game is a skunk and the team that scores 7 or more points wins the match.
